

BY MERL REAGLE

GO ON, GIVE IT A WHIRL

HOW TO PLAY This puzzle will have you coming and going! The Inward answers start at Square 1 and spiral toward the center, one letter per square. The Outward answers start at Square 100 and spiral outward. The clue numbers denote the starting square and ending square of each answer. Words going one way will help you get words going the other way. Solution is on Page XX.
